- ☺ I will always ask a Play Leader if I need to leave the group.
- ☺ I will always listen quietly when a Play Leader or group member is speaking.
- ☺ I will always show respect to my Play Leaders and fellow group members.
- ☺ I will respect my fellow group members, Play Leaders and my surroundings.
- ☺ I will remember that winning isn't everything; that having fun, improving skills, making friends and doing my best are even more important.

I will accept the Three Strikes Rule below

Any action by a participant in the Summer Playground Program that: Threatens the safety and/or enjoyment of other participants or causes damage to our building or interferes with the Play Leader's ability to control the group will be subject to our "three strikes" rule.

STRIKE ONE: A Play Leader will speak with you about your behavior or action and ask for it to discontinue.

STRIKE TWO: Play Leaders will stop the activity and speak with you. If behavior continues you may be asked to sit out from the group activity.

STRIKE THREE: Your parents will be contacted and you may be sent home.
