January & February - "Joe Fafard: In Print/Imprinter"

Remembering, Preparing, Anticipating... 2019

As 2019 commences, as your mayor I was thinking of four ways to understand and proceed into the new year:

We know that our Town of Rosthern is a great community to call home.

With a population of less than 2,000 people, our town, as I was recently reminded "punches way above our weight". As evidence of this, new projects will carry on throughout 2019, and planning for others will continue.

We are available for your questions, observations, and sound suggestions. Please contact myself, councillors or our administration team to tell us what you're thinking about.

We will diligently work with others to advance what is good for our community. Have a good idea and some resources to carry it forward? Let's chat about what might be done!

Your town council will do its best to make solid decisions which may be unpopular but nonetheless necessary for the health and long-term viability of our community.

What will 2019 bring for our Town? Let's carry on with the responsibilities and pleasures of living in Rosthern.

Sincerely, Dennis Helmuth

Mayor, Town of Rosthern

Crime prevention tips from the Rosthern RCMP

Some quick tips to protect yourself from property crime:

- Always keep your residence, outbuildings and vehicles locked and secure at all times.
- Consider trimming shrubs and trees away from doors and windows that may obscure visibility and give criminals a place to hide and work.
- Install motion activated lights on your property or leave your porch lights on.
- Install or utilize deadbolts rather than doorknob locks.
- Ensure windows are kept closed and locked. Consider purchasing locks to prevent sliding glass windows from being opened.
- Record the serial numbers of your property, this will increase the likelihood that police will be able to return your property
- Consider engraving your property with something that is unique to you, as it will assist police in identifying stolen property.
