Public Works Lead Hand

Located in the heart of the Saskatchewan River Valley, the Town of Rosthern is a vibrant and growing community that blends small-town charm with meaningful opportunities.

We are currently seeking a dedicated and skilled individual to fill the permanent role of **Public Works Lead Hand**, a key position in supporting the Town's infrastructure and operations.

Under the general direction of the Municipal Operations Manager, your role is responsible for the organizing and directing of all related works associated with transportation services, water and sewer operations, transfer station, and the municipal operations building. Your responsibilities include:

- Oversee Public Works staff and contractors to ensure all tasks are completed to municipal standards. Develop and manage work plans and schedules in consultation with the Municipal Operations Manager,
- Perform and direct utility and equipment operations, maintain water, sewer, and road infrastructure, and ensure accurate record-keeping and equipment upkeep. Respond to emergencies and support the development of maintenance programs.

The wage range for this position is \$\$35.55 to \$40.87 per hour with a comprehensive benefits package.
