## Mayor's Note

2024! Another New Year is underway.

I've been thinking about resolutions. As Mayor of Rosthern, what would my resolutions look like? Turns out my wish list is mostly about working on helpful processes to the betterment of our Town. Here is what comes to mind.

1. Continuous Learning: Learning from best practices, and innovations.
2. Conversations and Partnering: Hearing each other's viewpoints and working together.
3. Maintaining: Looking after what we already have invested in.
4. Developing: Infrastructure and projects to ensure a safe and growing community.
5. Wondering: How we can be an even better community in 2024 and beyond.

Any thoughts on the above, additions or missing items? Always available for a chat!

All the best to everyone in 2024!

**Dennis Helmuth, Mayor, Town of Rosthern**
