### February 2025,

Two items to briefly comment on this month.

First, commendations to our Recreation Manager and staff for accomplishments in obtaining grants for our Town in 2024. These grants totaling \$82,000.00 are used for such things as recreation programming costs such as the Harvest Festival and Winter Festival Events, summer employee wage subsidies, staff training, etc. Included in this total are Sask Lotteries allocations amounting to approximately \$25,381.00. This amount is distributed to recreation and culture organizations in Rosthern. We hope this pattern of successful grant writing will pay benefits again this year!

Second, there has been some activity at the New Hospital site. This includes further site investigation, geo-technical work, and infrastructure implications which are all part of the ongoing planning process. Additionally, Saskbuilds, Ministry of Health and the SHA presented another Hospital planning update in Rosthern on January 29, 2025. I will continue to do my best to provide ongoing information on the new Hospital as planning continues.

Always available,

Dennis Helmuth, Mayor
