Full Credit this month to our MOM!

Our MOM is our Municipal Operations
Manager, Owen Green. Just last week,
Owen received the 2024 Professional
Manager of the Year Award from the
Saskatchewan Public Works Association.

In presenting this award, some of Owen's
accomplishments as Operations Manager
were highlighted:

- Many watermain replacements for residences along with new commercial property, water main installation.
- 1M upgrades to Rosthern's lagoon aeration system.
- Introducing trenchless sewer relining to the community which has resulted in very significant savings.
- Rapid-response and solutions to public works technical challenges when they present on short notice.
- His commitment to regional networking, sharing of ideas, and project collaboration.
- His knowledge and astute management of our invaluable No. 1 Rosthern water.

I am very thankful we have Owen leading his team for all our outdoor operations. Running smooth, seamless, municipal operations is so crucial to our health, safety, and wellbeing. We sometimes forget how fortunate we are in our community! I know many of you share this sentiment. Next time you see Owen, give him a warm congratulations and a thank-you for his exemplary work on behalf of our Town.

Sincerely,
Dennis Helmuth, Mayor

Fire Safety Tips from the Fire Department

Dryer Fire Safety

Lint buildup is a leading cause of dryer fires, so make it a habit to clean the lint trap before and after every use. Spring is the time to inspect and clean the dryer vent hose and exterior vent to ensure proper airflow and reduce the risk of overheating.

Stay Fire Safe
